

CAPABILITY STATEMENT

Symlicity Communications, Inc.

60 Monroe Center St NW, Suite 100,
Grand Rapids, MI 49503

BUSINESS SUMMARY

With nearly 20 years of experience, Symlicity Communications, Inc. is a trusted expert in the world of business technology.

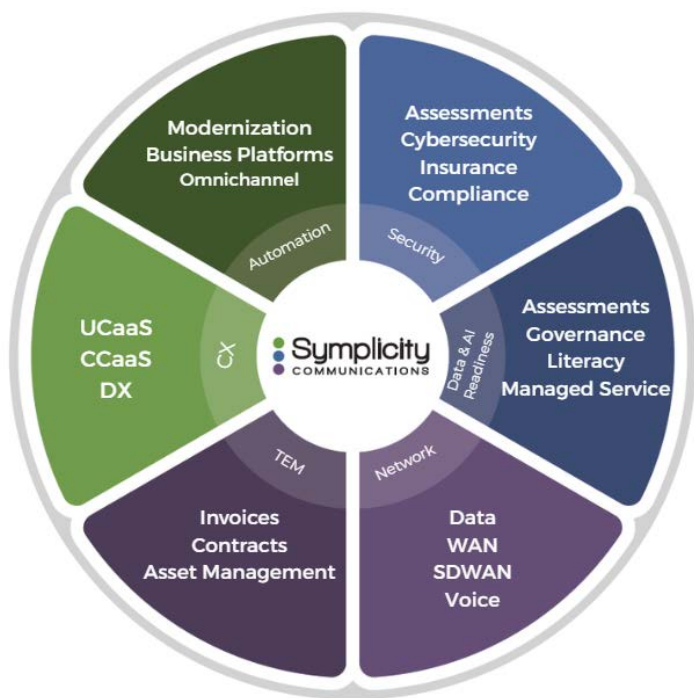

At Symlicity, we design technology solutions that power growth—smart, scalable, and future-ready.

From customer experience platforms and automation to cybersecurity and technology cost optimization, we help businesses grow with confidence.

Symlicity Communications designs and implements scalable solutions across customer experience, automation, data, cybersecurity, and technology cost optimization—built to grow as your business grows.

We turn complex technology into real business results—because technology should work for people, not the other way around.

Technology with purpose. People at the center.
